

An isometric view of a city street scene. In the center, a dark blue building with arched windows and a central entrance with a black door and steps. To the right, a taller building with many windows and a balcony. In the foreground, a dark blue car is parked on a street. A small figure of a person is visible on the sidewalk near the central building. The scene is set during the day with soft lighting.

The background of the image is white, decorated with various orange paint splatters and splashes. There are large, irregular orange shapes in the top-left and bottom-right corners, with numerous smaller droplets and streaks scattered across the entire surface. The text 'Thank You!' is centered in the middle of the image.

Thank You!

The background of the slide is a light orange color with a dense pattern of darker orange splatters and streaks, giving it a textured, paint-splattered appearance. The word "Questions?" is centered in the middle of the slide.

Questions?
