Industry Experience

July 2024 - November 2024

- **Tiny Kiwi Games / Collaborator**
 - Creating a vertical slice for a 3D space exploration game to present as a demo to our industry sponsors.
 - Responsible for the UI/UX implementation as well as the core game mechanic programming of the game.
 - Adapting an initial 2D game design into a 3D implementation

November 2024 - February 2025

- **DesignA Electronics/ Internship**
 - The development of Micropython code to assist with automated hardware testing as part of the DesignA Electronics GCMS Project.
 - Worked on refreshing the test system for the Salmon Gulfstream Cabin Management System (typically referred to as either Salmon or GCMS).
 - Development and documentation of a SCPI style protocol for talking to the appropriate Pico peripherals
 - Investigation/development of a micro-Python based application to run on a Raspberry Pi Pico board

Workforce Experience

January 2022 - July 2026

- **Zodiac Bar and Restaurant / Front of house**
 - Provide friendly and efficient service to customers in a busy dining and bar environment.
 - Take orders, serve food and drinks, and handle transactions accurately.
 - Maintain cleanliness and organization of dining areas.
 - Assist in training new staff and ensuring high customer satisfaction.

December 2024 - Present

- **Te Wero Gymnastics / Coach**
 - Coach beginner to intermediate gymnasts, teaching fundamental skills and routines.
 - Plan and lead training sessions focusing on technique, strength, and safety.
 - Providing guidance, encouragement, and feedback to help athletes improve.
 - Monitor progress and maintain a safe, supportive environment.
